13.5. Waiver. No failure or delay by either Party in exercising any right or remedy available to it in connection with this Agreement will constitute a waiver of such right or remedy. No waiver under this Agreement will be effective unless made in writing and signed by an authorized representative of the Party granting the waiver.

13.6. Severability. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

13.7. Governing Law. This Agreement is governed by and construed in accordance with the internal laws of the State of California without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of California.

13.8. Dispute Resolution. Any dispute arising from or relating to the subject matter of this Agreement that cannot be resolved thereby within a period of sixty (60) days after notice of a dispute has been given by one party hereunder to the other, must be finally settled by arbitration in Los Angeles County, California using the English language in accordance with the Comprehensive Arbitration Rules and Procedures of JAMS (formerly operating as, Judicial Arbitration and Mediation Services, Inc.) then in effect, by one or more commercial arbitrator(s) with substantial experience in resolving complex commercial contract disputes, who may or may not be selected from the appropriate list of JAMS arbitrators. If the parties cannot agree upon the number and identity of the arbitrators within fifteen (15) days following the Arbitration Date, then a single arbitrator will be selected on an expedited basis in accordance with the Arbitration Rules and Procedures of JAMS. The arbitrator(s) will have the authority to grant specific performance and to allocate between the parties the costs of arbitration (including service fees, arbitrator fees and all other fees related to the arbitration) in such equitable manner as the arbitrator(s) may determine. The prevailing party in the arbitration will be entitled to receive reimbursement of its reasonable expenses (including reasonable attorneys' fees, expert witness fees and all other expenses) incurred in connection therewith. Judgment upon the award so rendered may be entered in a court having jurisdiction or application may be made to such court for judicial acceptance of any award and an order of enforcement, as the case may be. Notwithstanding the foregoing, each party will have the right to seek equitable relief from any court of competent jurisdiction. For all purposes of this Agreement, the parties consent to exclusive jurisdiction and venue in the United States Federal Courts located in Los Angeles County.

13.9. Assignment. Organization may not assign any of its rights or delegate any of its obligations hereunder, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of Snorkl. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns.

13.10. Export Regulation. The Platforms utilize software and technology that may be subject to US export control laws, including the US Export Administration Act and its associated regulations. Organization shall not, directly or indirectly, export, re-export, or release the Platform or the underlying software or technology to, or make the Platform or the underlying software or technology accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Organization shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Platform or the underlying software or technology available outside the US.

13.11. US Government Rights. Each of the Documentation and the software components that constitute the Platform is a "commercial item" as that term is defined at 48 C.F.R. § 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Organization is an agency of the US Government or any contractor therefor, Organization only receives those rights with respect to the Platform and Documentation as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.

13.12. Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 6 or, in the case of Organization, Section 2.3, would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of

such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a Snorkl or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

13.13. Publicity. Snorkl may identify Organization as a user of the Platform and may use Organization 's name, logo, and other trademarks in Snorkl's Organization list, press releases, blog posts, advertisements, and website (and all use thereof and goodwill arising therefrom shall inure to the sole and exclusive benefit of Organization). Otherwise, neither Party may use the name, logo, or other trademarks of the other Party for any purpose without the other Party's prior written approval.
